

## About Us

Welcome to Loveunspoken.com & Shadiyah's Boutique. Sisters take your shoes off, relax and start shopping from the comfort of your own home, Masha'Allah.

Let me take this opportunity to give you a little background on this company. Loveunspoken.com is originally from Philadelphia, Pennsylvania. We have been in business since 1994, masha Allah. In 1994 we solely made custom overgarments for the Muslimahs in the area and formal wear. Since evolving to the internet in 2000, our services had to change. Keeping in mind of wanting to keep the personal touch for our Muslimah and non Muslimah customers, we decided to give the sisters something that was much needed. Something that would keep us cool under the overgarments we have to wear. With that in mind the custom made 'Cotton Slips' and 'Slip Pants', were born. After so many years of the nylon and not being able to find them long enough we have something that we can call our own. Loveunspoken.com is known across the USA and now International for our Cotton Slips.

Our slips are made from 'Cotton Blend Batise' and sometimes upon request 'Georgette' fabric to fit your length and size. Our slips make what ever you are wearing look 'smoother' and 'softer'; without making you feel 'hot' and 'sticky'. Another good thing is, you may also sleep in them or wear them around the house, I do.

The other thing we had to think about was how we were going to keep that personal touch for the many Muslimahs who were use to having that one on one contact with their seamstress. These sisters were use to picking and choosing what they would like to wear and we had to keep that in mind with also making sure that those who were breastfeeding were acknowledged. So we decided to specialize in zipper front cotton blend overgarments. They last longer than the button down overgarments and they are wash and wear and they come in array of colors, also they are very cool. Cotton blend is a all year fabric with those who have children, don't have to worry about sticky hands and the like in sha Allah.

Our goal was to come up with different styles of Islamic clothing that the sisters could have custom made to their measurements no matter what size you are, we call this "MADE JUST FOR YOU". Insha'Allah the sisters can pick any garment from the site and it will be specially "MADE JUST FOR YOU", to your measurements... no one else's. Keeping in mind this is your seamstress online.

No more wondering, "If I order from the internet is it going to fit? Will it be too long? Will it be too tight? Will it be too big?"

You have a variety of colors and styles to choose from. We try our best to please every woman or little lady. Our Islamic clothing is stylish, but comfortable for what ever your needs may be, In sha Allah, with the best quality and love that is put into the work that is done on each and every order in sha Allah.
